Don-it looks like Mike Legrande will not be available to be in Council tomorrow morning, so there is no point in you and John schlepping downtown.

I will have Bill call Legrande with me from the car on the way back to the west side after Council. I will report back later in the day.

We are definitely on the same page-keep the money in CD 11!

This situation w/ CCF Agreements has gone sideways. It's not what's good for CD11. 5 minutes only. 818-515-2159.
